COURSE REQUIREMENTS/ATTENDANCE

Attendance for all classes is mandatory as required by the Trial Advocacy Program. This course involves the participation of each class member in discussions and exercises.

Any absence from class, other than unexpected emergencies or illnesses, must be approved in advance by the instructor. Any unexcused absence will result in the lowering of the student's grade.
If a student finds it necessary to miss a class, that class must be made up by attending another instructor's class and notifying me of the date and time of attendance.

**GRADING**

This course is a Pass/D/Fail course. The instructor therefore has three options. While students expect and generally do in fact receive a grade of pass in this course, a D or failing grade will be awarded to students who are absent from class without permission; who fail to perform an assigned exercise; or who show a general lack of participation in class activities.

**COURSE METHODOLOGY**

The methodology for this course will be a mixture of lecture, discussion, demonstration (both live and videotape) and simulated skills exercises. Students will be expected to be actively involved in each week's class.
