X. Disciplinary or Criminal History

Interests of the University and the School of Law. The University of Alabama has vital interests in the safety of its campus and the fitness of its students to be members of the University community. The School of Law shares these interests, and, as a professional school, it has a heightened concern for the behavior, honesty and integrity of its students. Therefore, the School of Law may deny admission to, or revoke admission of, any applicant whom it deems to be detrimental to these interests. To assist in that consideration, the School of Law requires applicants to provide certain information about their disciplinary or criminal history. **A criminal or disciplinary history is not an automatic bar to admission.** Any admission decision relating to a criminal or disciplinary disclosure is made on a case-by-case basis considering the entirety of the file.

Qualifications for Bar Admission. In addition to a bar examination, there are character, fitness, and other qualifications for admission to the bar in every U.S. jurisdiction. Applicants are encouraged to determine the requirements for any jurisdiction in which they intend to seek admission by contacting the jurisdiction. Addresses for all relevant agencies are available through the National Conference of Bar Examiners. As part of their character and fitness review, state bar associations ask questions about prior conduct, including disciplinary and criminal conduct. The questions on this application to the School of Law are not necessarily identical to those of any state bar association. For example, state bar questions typically are more exhaustive and cover more types of conduct, such as arrests. **Admission to the School of Law does not guarantee that an applicant will satisfy the character and fitness review and other qualifications of any state bar.**

Conduct Questions. If you answer yes to any of the following questions, please attach an additional statement providing complete details, including the dates, circumstances, and resolution. Please also include any information describing how you believe you can positively contribute to the campus community despite any prior issue(s) disclosed below (e.g. evidence of rehabilitation, community service, etc.)

In answering the questions below, “convicted” means a judge or jury has found you guilty of the crime(s) charged against you in a court of law, following a trial or guilty plea. If your conviction has been sealed, expunged, or overturned, you do not have to disclose the conviction associated with that situation.

A. Have you ever been placed on probation, suspended, dismissed, removed, or expelled from any college, university, or other postsecondary institution or are you currently the subject of any pending or expected disciplinary action by any academic institution?

Yes No

Appeal. The School of Law will notify an applicant if he or she is denied admission based solely on the conduct questions B-F. In that particular case, the applicant may appeal the denial by providing a written statement of appeal to the School of Law within seven calendar days from when the denial was received. The appeal statement should be directed to the Associate Dean of Admissions at the School of Law.
